

OFFICE OF THE STATE CONTROLLER
STATE MANDATED COSTS CLAIMING INSTRUCTIONS NO. 2009-18
OPEN MEETINGS ACT/BROWN ACT REFORM

DECEMBER 21, 2009

REVISED JULY 1, 2012

In accordance with Government Code (GC) sections 17560 and 17561, eligible claimants may submit claims to the State Controller's Office (SCO) for reimbursement of costs incurred for state-mandated cost programs. This document contains claiming instructions and forms that eligible claimants must use for filing claims for the Open Meetings Act/Brown Act Reform (OMA/BAR) program. The Parameters and Guidelines (P's & G's) are included as an integral part of the claiming instructions.

On April 25, 2002, the Commission on State Mandates (CSM) adopted its Statement of Decision (SOD) consolidating two previously approved test claims: Open Meetings Act and Brown Act Reform. The CSM determined that GC sections 54952, 54954.2, 54957.1, and 54957.7 as added and amended by Chapters 1136, 1137, and 1138, Statutes of 1993, constitute a reimbursable state-mandated program upon local governments within the meaning of Article XIII B, section 6, of the California Constitution and GC section 17514. The test claim legislation expanded the types of legislative bodies required to comply with the notice and agenda requirements of GC sections 54954.2 and 54954.3.

On July 19, 2005, Chapter 72, Statutes of 2005, became effective and directed the CSM to set aside its decision in the consolidated OMA/BAR Parameters and Guidelines (P's & G's). The CSM was directed to set aside its SOD, adopted on April 25, 2002, in the OMA/BAR consolidation. This order to set aside the SOD was operative on July 19, 2005.

On March 9, 2009, the Third District Court of Appeal in the California School Boards Association v. State of California (2009), held that the Legislature's direction to set aside or reconsider prior CSM's decisions goes beyond the power of the Legislature and violates the separation of powers set forth in Article XIII, section 3, of the California Constitution. The court directed the CSM to set aside its orders setting aside the SOD and to reinstate prior decisions.

On July 13, 2009, the Sacramento County Superior Court issued a Judgment and Peremptory Writ of Mandate Following Appeal directing the CSM to set aside as null and void the order adopted on September 27, 2005, setting aside the SOD's in the OMA/BAR programs and the Consolidated P's & G's pertaining to OMA/BAR program in their entirety and to reinstate the previous determinations of the CSM in those proceedings.

On September 25, 2009, in accordance with the Peremptory Writ of Mandate, the Commission adopted the Notice of Adoption of Order to set aside as null and void the order adopted on September 27, 2005, setting aside the SOD in the OMA and BAR programs and proposed an order to reinstate the Consolidated P's & G's for the OMA/BAR program that were adopted on April 25, 2002.

Exception

There will be no reimbursement for any period in which the Legislature has suspended the operation of a mandate pursuant to state law.

Eligible Claimants

With the exception of community colleges, any school district, as defined in GC section 17519 that incurs increased costs as a result of this mandate is eligible to claim for reimbursement.

Reimbursement Claim Deadline

Claims for the **2011-2012** fiscal year may be filed by **February 15, 2013**, without a late penalty. **Claims filed more than one year after the filing date will not be accepted.**

Penalty

- **Initial Claims**

When filed within one year of the initial filing deadline, claims are assessed a late penalty of 10% of the total amount of the initial claim without limitation pursuant to GC section 17561, subdivision (d)(3).

- **Annual Reimbursement Claim**

When filed within one year of the annual filing deadline, claims are assessed a late penalty of 10% of the claim amount; \$10,000 maximum penalty, pursuant to GC section 17568.

Minimum Claim Cost

GC section 17564, subdivision (a), provides that no claim may be filed pursuant to Sections 17551 and 17561, unless such a claim exceeds one thousand dollars (**\$1,000**), provided that a county superintendent of schools may submit a combined claim on behalf of school districts within their county if the combined claim exceeds **\$1,000**, even if the individual school district's claim does not each exceed **\$1,000**. If the total costs for a given fiscal year do not exceed \$1,000, no reimbursement will be allowed except as otherwise allowed by GC section 17564. The county superintendent of schools will determine if the submission of the combined claim is economically feasible and be responsible for disbursing the funds to each school district. These combined claims may be filed only when the county superintendent of schools is the fiscal agent for the districts. A combined claim must show the individual claim costs for each eligible school district. All subsequent claims based upon the same mandate will only be filed in the combined form unless a school district provides a written notice of its intent to file a separate claim to the county superintendent of schools and to the SCO at least 180 days prior to the deadline for filing the claim.

Reimbursement of Claims

To be eligible for mandated cost reimbursement for any fiscal year, only actual costs may be claimed. These costs must be traceable and supported by source documents that show the validity of such costs, when they were incurred, and their relationship to the reimbursable activities. A source document is created at or near the same time the actual cost was incurred for

the event or activity in question. Source documents may include, but are not limited to, employee time records or time logs, sign-in sheets, invoices, and receipts.

Evidence corroborating the source documents may include, but is not limited to, worksheets, cost allocation reports (system generated), purchase orders, contracts, agendas, training packets, and declarations. Declarations must include a certification or declaration stating: "I certify (or declare) under penalty of perjury under the laws of the State of California that the foregoing is true and correct," and must further comply with the requirements of Code of Civil Procedure section 2015.5.

Evidence corroborating the source documents may include data relevant to the reimbursable activities otherwise in compliance with local, state, and federal government requirements. However, these documents cannot be substituted for source documents.

Audit of Costs

All claims submitted to the SCO are subject to review to determine if costs are related to the mandate, are reasonable and not excessive, and if the claim was prepared in accordance with the SCO's claiming instructions and the P's & G's adopted by the CSM. If any adjustments are made to a claim, the claimant will be notified of the amount adjusted, and the reason for the adjustment.

On-site audits will be conducted by the SCO as deemed necessary. Pursuant to GC section 17558.5, Subdivision (a), a reimbursement claim for actual costs filed by a claimant is subject to audit by the SCO no later than three years after the date the actual reimbursement claim was filed or last amended, whichever is later. However, if no funds were appropriated or no payment was made to a claimant for the program for the fiscal year for which the claim was filed, the time for the SCO to initiate an audit will commence to run from the date of initial payment of the claim.

All documents used to support the reimbursable activities must be retained during the period subject to audit. If an audit has been initiated by the SCO during the period subject to audit, the retention period is extended until the ultimate resolution of any audit findings. Supporting documents must be made available to the SCO on request.

Record Retention

All documentation to support actual costs claimed must be retained for a period of three years after the date the claim was filed or last amended, whichever is later. If no funds were appropriated or no payment was made at the time the claim was filed, the time for the Controller to initiate an audit will be from the date of initial payment of the claim. Therefore, all documentation to support actual costs claimed must be retained for the same period, and must be made available to the SCO on request.

Claim Submission

Submit a signed original Form FAM-27 and one copy with required documents. **Please sign the Form FAM-27 in blue ink and attach the copy to the top of the claim package.**

Parameters and Guidelines

Government Code Sections 54952, 54954.2, 54954.3, 54957.1, and 54957.7

Statutes of 1986, Chapter 641

Statutes of 1993, Chapters 1136, 1137 and 1138

Open Meetings Act/Brown Act Reform

I. SUMMARY OF THE MANDATE

Government Code sections 54952, 54954.2, 54957.1 and 54957.7, require that “legislative bodies” of local agencies comply with certain changes to the Ralph M. Brown Act, also known as the Open Meetings Act.

On June 28, 2001, the Commission on State Mandates (Commission) adopted its Statement of Decision on the *Brown Act Reform* test claim (CSM-4469). The Commission found that Government Code sections 54952, 54954.2, 54957.1, and 54957.7, as added and amended by Statutes of 1993, chapters 1136, 1137, and 1138, constitutes a reimbursable state mandated program upon local governments within the meaning of article XIII B, section 6 of the California Constitution and Government Code section 17514. The test claim legislation expanded the types of “legislative bodies” required to comply with the notice and agenda requirements of Government Code sections 54954.2 and 54954.3, to include:

- Local Bodies created by state or federal statute.
- Standing Committees with less than a quorum of members of the legislative body that has a continuing subject matter jurisdiction or a meeting schedule fixed by formal action.
- Permanent & Temporary Advisory Bodies (except bodies of less than a quorum of the members of the legislative body).

It also required all “legislative bodies” to perform a number of additional activities in relation to the closed session requirements of the Brown Act, as follows:

- To include a brief general description on the agenda of all items to be discussed in closed session. A brief general description of an item generally need not exceed 20 words. (Gov. Code, § 54954.2, subd. (a).)
- To disclose in an open meeting, prior to holding any closed session, each item to be discussed in the closed session. (Gov. Code, § 54957.7, subd. (a).)
- To reconvene in open session prior to adjournment and report the actions and votes taken in closed session for the five items identified in Government Code section 54957.1, subdivision (a)(1-4, 6). (Gov. Code, § 54957.7, subd. (b).)
- To provide copies of closed session documents as required. (Gov. Code, § 54957.1, subd. (b) and (c).)

The Commission previously adopted two test claims on the Brown Act:

1. Open Meetings Act

On March 23, 1988, the Commission adopted the *Open Meetings Act* test claim (CSM-4257). Statutes of 1986, chapter 641, added Government Code section 54954.2 to require that the legislative body of the local agency, or its designee, post an agenda containing a brief general description of each item of business to be transacted or discussed at the regular meeting, subject to exceptions stated therein, specifying the time and location of the regular meeting and requiring that the agenda be posted at least 72 hours before the meeting in a location freely accessible to the public. The following types of “legislative bodies” were eligible for reimbursement:

- Governing board, commission, directors or body of a local agency or any board or commission thereof, as well as any board, commission, committee, or other body on which officers of a local agency serve in their official capacity.
- Any board, commission, committee, or body which exercises authority delegated to it by the legislative body.
- Planning commissions, library boards, recreation commissions, and other permanent boards or commissions of a local agency composed of at least a quorum of the members of the legislative body.

Statutes of 1986, chapter 641 also added Government Code section 54954.3 to provide an opportunity for members of the public to address the legislative body on specific agenda items or any item of interest that is within the subject matter jurisdiction of the legislative body, and this opportunity for comment must be stated on the posted agenda.

2. School Site Councils and Brown Act Reform

On April 27, 2000, the Commission approved the *School Site Councils and Brown Act Reform* test claim (CSM-4501). This test claim was based on Government Code section 54954 and Education Code section 35147, which addressed the application of the open meeting act provisions of the Brown Act to specified school site councils and advisory committees of school districts.¹

II. ELIGIBLE CLAIMANTS

Any county, city, a city and county, school or special district that incurs increased costs as a result of this reimbursable state mandated program is eligible to claim reimbursement of those costs.

III. PERIOD OF REIMBURSEMENT

Government Code section 17557, prior to its amendment by Statutes of 1998, chapter 681 (effective September 22, 1998), stated that a test claim must be submitted on or before December 31 following a given fiscal year to establish eligibility for reimbursement for that fiscal year. The test claim for *Brown Act Reform* was filed on December 29, 1994. Statutes of 1993, chapters 1136, 1137, and 1138, became effective January 1, 1994. Therefore, costs

¹ The parameters and guidelines for the *School Site Councils and Brown Act Reform* test claim are not included in these parameters and guidelines.

incurred on or after January 1, 1994 for compliance with the *Brown Act Reform* mandate are eligible for reimbursement.

Actual costs for one fiscal year shall be included in each claim. Estimated costs for the subsequent year may be included on the same claim, if applicable. Pursuant to Government Code section 17561, subdivision (d)(1), all claims for reimbursement of initial years' costs shall be submitted within 120 days of notification by the State Controller of the issuance of claiming instructions.

If total costs for a given fiscal year do not exceed \$200, no reimbursement shall be allowed except as otherwise allowed by Government Code section 17564.

Initial years' costs shall not include any costs that were claimable or reimbursed pursuant to *Open Meetings Act* Parameters and Guidelines as amended on December 4, 1991 or November 30, 2000. Reimbursement for these costs must be claimed as prescribed in the Controller's Claiming Instructions No. 2000-15 and 2000-16 for local agencies and schools, respectively.

Annual claims, commencing with the 2001-2002 fiscal year, shall include all costs for *Open Meetings Act* and *Brown Act Reform*.

IV. REIMBURSABLE ACTIVITIES

For each eligible claimant, the following activities are eligible for reimbursement:

A. Agenda Preparation and Posting Activities

1. Prepare a single agenda for a regular meeting of a legislative body of a local agency or school district containing a brief description of each item of business to be transacted or discussed at a regular meeting, including items to be discussed in closed session, and citing the time and location of the regular meeting.² (Gov. Code, § 54954.2, subd. (a).)
2. Post a single agenda 72 hours before a meeting in a location freely accessible to the public. Further, every agenda must state that there is an opportunity for members of the public to comment on matters that are within the subject matter jurisdiction of the legislative body, subject to exceptions stated therein. (Gov. Code, §§ 54954.2, subd. (a), and 54954.3, subd. (a).)

Beginning January 1, 1994, the following types of "legislative bodies" are eligible to claim reimbursement under these parameters and guidelines for the activities listed in section IV.A:

- Local Bodies created by state or federal statute.
- Standing Committees with less than a quorum of members of the legislative body that has a continuing subject matter jurisdiction or a meeting schedule fixed by formal action.
- Permanent & Temporary Advisory Bodies (except bodies of less than a quorum of the members of the legislative body).

² As amended by Statutes of 1993, chapter 1136.

Beginning January 1, 1994, the following “legislative bodies” are eligible to claim reimbursement under these parameters and guidelines for the preparation of a brief general description of closed session agenda items, using either the actual or standard time reimbursement options pursuant to section V.A.1 or 2:

- Governing board, commission, directors or body of a local agency or any board or commission thereof, as well as any board, commission, committee, or other body on which officers of a local agency serve in their official capacity.
- Any board, commission, committee, or body which exercises authority delegated to it by the legislative body.
- Planning commissions, library boards, recreation commissions, and other *permanent* boards or commissions of a local agency composed of at least a quorum of the members of the legislative body.
- Local Bodies created by state or federal statute.
- Standing Committees with less than a quorum of members of the legislative body that has a continuing subject matter jurisdiction or a meeting schedule fixed by formal action.
- Permanent & Temporary Advisory Bodies (except bodies of less than a quorum of the members of the legislative body).

B. Closed Session Activities

1. Disclose in an open meeting, prior to holding any closed session, each item to be discussed in the closed session. (Gov. Code, § 54957.7, subd. (a).)
2. Reconvene in open session prior to adjournment to make any disclosures required by Section 54957.1 of action taken in the closed session, including items as follows: (Gov. Code, § 54957.7, subd. (b).)
 - a. Approval of an agreement concluding real estate negotiations as specified in Section 54956.8. (Gov. Code, § 54957.1, subd. (a)(1).)
 - b. Approval given to its legal counsel to defend, or seek or refrain from seeking appellate review or relief, or to enter as an amicus curiae in any form of litigation as the result of consultation under Section 54956.9. (Gov. Code, § 54957.1, subd. (a)(2).)
 - c. Approval given to its legal counsel of a settlement of pending litigation as defined in Section 54956.9, at any stage prior to or during a judicial or quasi-judicial proceeding shall be reported after the settlement is final. (Gov. Code, § 54957.1, subd. (a)(3).)
 - d. Disposition reached as to claims discussed in closed session pursuant to Section 54956.95 shall be reported as soon as reached in a manner that identifies of the name of the claimant, the name of the local agency claimed against, the substance of the claim, and any monetary amount approved for payment and agreed upon by the claimant. (Gov. Code, § 54957.1, subd. (a)(4).)

- e. Approval of an agreement concluding labor negotiations with represented employees pursuant to Section 54957.6 shall be reported after the agreement is final and has been accepted or ratified by the other party. (Gov. Code, § 54957.1, subd. (a)(6).)
3. Provide copies of any contracts, settlement agreements, or other documents that were finally approved or adopted in the closed session to a person who submitted a written request within the timelines specified or to a person who has made a standing request, as set forth in Sections 54954.1 or 54956 within the time lines specified. (Gov. Code, § 54957.1, subd. (b) and (c).)
4. Train members of only those legislative bodies that actually hold closed executive sessions, on the closed session requirements of *Brown Act Reform*. If such training is given to all members of the legislative body, whether newly appointed or existing members, contemporaneously, time of the trainer and legislative members is reimbursable. Additionally, time for preparation of training materials, obtaining materials including training videos and audio visual aids, and training the trainers to conduct the training is reimbursable. See Section V.B.6 of these parameters and guidelines.

Beginning January 1, 1994, the following “legislative bodies” are eligible to claim reimbursement under these parameters and guidelines for the activities listed in IV.B:

- Governing board, commission, directors or body of a local agency or any board or commission thereof, as well as any board, commission, committee, or other body on which officers of a local agency serve in their official capacity.
- Any board, commission, committee, or body which exercises authority delegated to it by the legislative body.
- Planning commissions, library boards, recreation commissions, and other *permanent* boards or commissions of a local agency composed of at least a quorum of the members of the legislative body.
- Local Bodies created by state or federal statute.
- Standing Committees with less than a quorum of members of the legislative body that has a continuing subject matter jurisdiction or a meeting schedule fixed by formal action.
- Permanent & Temporary Advisory Bodies (except bodies of less than a quorum of the members of the legislative body).

V. CLAIM PREPARATION AND SUBMISSION

Each reimbursement claim must be timely filed. Each of the following cost elements must be identified for each reimbursable activity identified in section IV of this document.

A. Reimbursement Options for Agenda Preparation and Posting, Including Closed Session Agenda Items

Eligible claimants may use the actual time, standard time, or flat rate reimbursement options for claiming costs incurred pursuant to section IV.A of these parameters and guidelines for agenda preparation and posting, including closed session items.³ Eligible claimants must claim actual costs incurred for subsequent reporting of action taken in closed session, providing copies of documents approved or adopted in closed session, and training.

For each type or name of meeting claimed during a fiscal year, select one of the following reimbursement options. For example, all city council meetings in a given fiscal year may be claimed on only one basis: actual time, standard time or flat-rate. If standard time is selected, all city council meetings must be claimed using this basis for the entire year. However, all city council meetings could be claimed on an actual cost basis during a subsequent fiscal year.

1. Actual Time

List the meeting names and dates. Report each employee implementing the reimbursable activities by name, job classification, and productive hourly rate (total wages and related benefits divided by productive hours). Describe the specific reimbursable activities performed and the hours devoted to each reimbursable activity performed.

Counties and cities may claim indirect costs pursuant to section V.C.

2. Standard Time

a. Main Legislative Body Meetings of Counties and Cities

List the meeting names and dates. For each meeting, multiply the number of agenda items, excluding standard agenda items such as “adjournment”, “call to order”, “flag salute”, and “public comments”, by 30 minutes and then by the blended productive hourly rate of the involved employees.

Counties and cities may claim indirect costs pursuant to section V.C.

b. Special District Meetings, and County and City Meetings Other Than Main Legislative Body

List the meeting names and dates. For each meeting, multiply the number of agenda items, excluding standard agenda items such as “adjournment”, “call to order”, “flag salute”, and “public comments”, by 20 minutes and then by the blended productive hourly rate of the involved employees.

³ The flat rate includes all of the costs for preparing and posting an agenda, including closed session agenda items. Claimants that filed reimbursement claims under the *Open Meetings Act* Program using the flat rate reimbursement option cannot file another reimbursement claim using the flat rate option for initial years costs for agenda preparation of closed session items under Brown Act Reform. Refer to sections III and IV of these parameters and guidelines.

Special districts, counties and cities may claim indirect costs pursuant to section V.C.

c. School and Community College Districts and County Offices of Education

List the meeting names and dates. For each meeting, multiply the number of agenda items times the minutes per agenda item for County Offices of Education and for districts, by enrollment size, times the blended productive hourly rate of the involved employees. The minutes per agenda for County Offices of Education and for districts by enrollment size are:

County Offices of Education:	45 minutes
Districts:	
Enrollment 20,000 or more	45 minutes
Enrollment 10,000 – 19,999	15 minutes
Enrollment less than 10,000	10 minutes

School and community college districts and County Offices of Education may claim indirect costs pursuant to section V.C.

3. Flat Rate⁴

List the meeting names and dates. Multiply the uniform cost allowance, shown in the table provided below, by the number of meetings. The uniform cost allowance shall be adjusted each year subsequent to fiscal year 1997-1998 by the Implicit Price Deflator referenced in Government Code section 17523.

1993-1994	\$ 90.10
1994-1995	92.44
1995-1996	95.12
1996-1997	97.31
1997-1998	100.00

B. Direct Cost Reporting

Direct costs that are eligible for reimbursement are:

1. Salaries and Benefits

Report each employee implementing the reimbursable activities by name, job classification, and productive hourly rate (total wages and related benefits divided by productive hours). Describe the specific reimbursable activities performed and the hours devoted to each reimbursable activity performed.

⁴ The flat rate includes all of the costs for preparing and posting an agenda, including closed session agenda items. Claimants that filed reimbursement claims under the *Open Meetings Act* Program using the flat rate reimbursement option cannot file another reimbursement claim using the flat rate option for initial years costs for agenda preparation of closed session items under Brown Act Reform. Refer to sections III and IV of these parameters and guidelines.

2. Materials and Supplies

Report the cost of materials and supplies that have been consumed or expended for the purpose of the reimbursable activities. Purchases shall be claimed at the actual price after deducting discounts, rebates, and allowances received by the claimant. Supplies that are withdrawn from inventory shall be charged on an appropriate and recognized method of costing, consistently applied.

3. Contracted Services

Report the name of the contractor and services performed to implement the reimbursable activities. If the contractor bills for time and materials, report the number of hours spent on the activities and all costs charged. If the contract is a fixed price, report the services that were performed during the period covered by the reimbursement claim. If the contract services are also used for purposes other than the reimbursable activities, only the pro-rata portion of the services used to implement the reimbursable activities can be claimed. Submit contract consultant and attorney invoices with the claim and a description of the contract scope of services.

4. Fixed Assets and Equipment

Report the purchase price paid for fixed assets and equipment (including computers) necessary to implement the reimbursable activities. The purchase price includes taxes, delivery costs, and installation costs. If the fixed asset or equipment is also used for purposes other than the reimbursable activities, only the pro-rata portion of the purchase price used to implement the reimbursable activities can be claimed.

5. Travel

Report the name of the employee traveling for the purpose of the reimbursable activities. Include the date of travel, destination point, the specific reimbursable activity requiring travel, and related travel expenses reimbursed to the employee in compliance with the rules of the local jurisdiction. Report employee travel time according to the rules of cost element B.1, Salaries and Benefits, for each applicable reimbursable activity.

6. Training

Report the cost of training members of the legislative body to perform the reimbursable activities, as specified in section IV.B of this document. Report the name and job classification of each employee preparing for, attending, and/or conducting training necessary to implement the reimbursable activities. Provide the title, subject, and purpose (related to the mandate of the training session), dates attended, and location. If the training encompasses subjects broader than the reimbursable activities, only the pro-rata portion can be claimed. Report employee training time for each applicable reimbursable activity according to the rules of cost element B.1, Salaries and Benefits, and B.2, Materials and Supplies. Report the cost of consultants who conduct the training according to the rules of cost element B.3, Contracted Services. This data, if too voluminous to be included with the claim, may be reported in a summary. However, supporting data must be maintained as described in section VI.

C. Indirect Cost Rates

Indirect costs are defined as costs which are incurred for a common or joint purpose, benefiting more than one program and are not directly assignable to a particular department of program without efforts disproportionate to the result achieved. Indirect costs may include both (1) overhead costs of the unit performing the mandate; and (2) the costs of central government services distributed to other departments based on a systematic and rational basis through a cost allocation plan.

Cities, Counties and Special Districts

Compensation for indirect costs is eligible for reimbursement utilizing the procedure provided in the Office of Management and Budget (OMB) Circular A-87. Claimants have the option of using 10% of direct labor, excluding fringe benefits, or preparing an Indirect Cost Rate Proposal (ICRP) if the indirect cost rate claimed exceeds 10%.

If the claimant chooses to prepare an ICRP, both the direct costs (as defined and described in OMB Circular A-87 Attachments A and B) and the indirect costs shall exclude capital expenditures and unallowable costs (as defined and described in OMB A-87 Attachments A and B). However, unallowable costs must be included in the direct costs if they represent activities to which indirect costs are properly allocable.

The distribution base may be (1) total direct costs (excluding capital expenditures and other distorting items, such as pass-through funds, major subcontracts, etc.), (2) direct salaries and wages, or (3) another base which results in an equitable distribution.

In calculating an ICRP, the Claimant shall have the choice of one of the following methodologies:

1. The allocation of allowable indirect costs (as defined and described in OMB Circular A-87 Attachments A and B) shall be accomplished by (1) classifying a department's total costs for the base period as either direct or indirect, and (2) dividing the total allowable indirect costs (net of applicable credits) by an equitable distribution base. The result of this process is an indirect cost rate which is used to distribute indirect costs to mandates. The rate should be expressed as a percentage which the total amount allowable indirect costs bears to the base selected; or
2. The allocation of allowable indirect costs (as defined and described in OMB Circular A-87 Attachments A and B) shall be accomplished by (1) separating a department into groups, such as divisions or sections, and then classifying the division's or section's total costs for the base period as either direct or indirect, and (2) dividing the total allowable indirect costs (net of applicable credits) by an equitable distribution base. The result of this process is an indirect cost rate that is used to distribute indirect costs to mandates. The rate should be expressed as a percentage which the total amount allowable indirect costs bears to the base selected.

School Districts

School districts must use the J-380 (or subsequent replacement) nonrestrictive indirect cost rate provisionally approved by the California Department of Education.

County Offices of Education

County offices of education must use the J-580 (or subsequent replacement) nonrestrictive indirect cost rate provisionally approved by the California Department of Education.

Community Colleges

Community colleges have the option of using (1) a federally approved rate, using the cost accounting principles from the OMB Circular A-21 "Cost Principles of Educational Institutions", (2) the rate calculated on State Controller's Form FAM-29C; or (3) a 7% indirect cost rate.

VI. SUPPORTING DATA

A. Source Documents

For auditing purposes, all incurred costs claimed must be traceable to source documents that show evidence of their validity and relationship to the reimbursable activities. Documents may include, but are not limited to, worksheets, employee time records or time logs, cost allocation reports (system generated), invoices, receipts, purchase orders, contracts, agendas, training packets with signatures and logs of attendees, calendars, declarations, and data relevant to the reimbursable activities otherwise reported in compliance with local, state, and federal government requirements.

For those entities that elect reimbursement pursuant to the standard time methodology, option 2 in section V.A, documents showing the calculation of the blended productive hourly rate and copies of agendas shall be sufficient evidence. For those entities that elect reimbursement pursuant to the flat-rate methodology, option 3 in section V.A, copies of agendas shall be sufficient evidence.

The blended productive hourly rate, used in claiming standard or unit time reimbursements, may be calculated by determining the percentage of time spent by persons or classifications of persons on the reimbursable activities and multiplying the productive hourly rate (including salaries, benefits and indirect costs, if not claimed elsewhere) for each person or classification of persons times the percentage of time spent by that person or classification of persons. Claimants may determine a percentage allocation for the person or classification of persons in a base fiscal year and use that percentage allocation for subsequent future years by multiplying the base year percentages times the productive hourly rate for that person or classification of persons for the fiscal year of the reimbursement claim.

For example, a city manager may determine that the percentage of time spent on the reimbursable activities by various classifications in a base year of fiscal year 1998-1999 was as follows:

City Manager	17%
City Attorney	15%
City Clerk	36%
Department Managers	9%
Secretaries	23%
Total	100%

The city determines that the productive hourly rate (salaries, benefits, and indirect costs) for fiscal year 2000-2001 for each classification is as follows:

	Salary	Benefits	Indirect Cost Rate	Indirect Costs	Productive Hourly Rate
City Manager	\$60	\$12	29%	\$13	\$85
City Attorney	\$55	\$10	30%	\$15	\$80
City Clerk	\$40	\$ 8	31%	\$12	\$60
Department Manager	\$45	\$ 9	30%	\$11	\$65
Secretaries	\$18	\$ 5	25%	\$ 7	\$30

The blended productive hourly rate for fiscal year 2000-2001 is determined by multiplying the percentages in the base year times the productive hourly rate in the fiscal year claimed, and adding the totals, as follows:

City Manager	17%	\$85	\$14.25
City Attorney	15%	\$80	\$12.00
City Clerk	36%	\$60	\$21.60
Department Manager	9%	\$65	\$ 5.85
Secretaries	23%	\$30	\$ 6.90
Total	100%		\$60.80

The city's claim would be determined by multiplying the blended productive hourly rate times the minutes per agenda item times the number of agenda items.

B. Record Keeping

Pursuant to Government Code section 17558.5, subdivision (a), a reimbursement claim for actual costs filed by a local agency or school district pursuant to this chapter is subject to audit by the State Controller no later than two years after the end of the calendar year in which the reimbursement claim is filed or last amended. See the State Controller's claiming instructions regarding retention of required documentation during the audit period.

VII. OFFSETTING SAVINGS AND REIMBURSEMENTS

Any offsetting savings the claimant experiences in the same program as a result of the same statutes or executive orders found to contain a mandate shall be deducted from the costs claimed. In addition, reimbursement for this mandate from any other source, including but not limited to, service fees collected, federal funds and other state funds, shall be identified and deducted from this claim.

VIII. STATE CONTROLLER'S OFFICE REQUIRED CERTIFICATION

An authorized representative of the claimant shall be required to provide a certification of the claim, as specified in the State Controller's claiming instructions, for those costs mandated by the State contained herein.

IX. PARAMETERS AND GUIDELINES AMENDMENTS

Parameters and guidelines may be amended pursuant to Title 2, California Code of Regulations section 1183.2.

------------------------------	---	--------------------------

Complete Form 2S when calculating agenda costs using the Standard-Time Option.

Please note that all meetings of the same type or name in a given fiscal year may be claimed on only one basis.

- (01) Enter the name of the claimant.
- (02) Enter the fiscal year in which costs were incurred.
- (03) Standard-Time Option.
- (a) Enter the date of each meeting.
- (b) Enter the type or name of each meeting.
- (c) Enter the number of agenda items for each meeting.
- (d) The minutes per agenda item for County Offices of Education and for districts by enrollment size are:

County Offices of Education:	0.75 hour	(45 minutes)
Districts: Enrollment of 20,000 or more:	0.75 hour	(45 minutes)
Enrollment of 10,000 to 19,999:	0.25 hour	(15 minutes)
Enrollment of less than 10,000:	0.17 hour	(10 minutes)

- (e) Enter the blended hourly rate of all personnel who participated in the preparation and posting of the agenda during the fiscal year.

The blended productive hourly rate, used in claiming standard or unit time reimbursements, may be calculated by determining the percentage of time spent by persons or classifications of persons on the reimbursable activities and multiplying the productive hourly rate (including salaries, benefits, and indirect costs, if not claimed elsewhere) for each person or classification of persons in a base fiscal year and use that percentage allocation for subsequent future years by multiplying the base year percentages times the productive hourly rate for that person or classification of persons for the fiscal year of the reimbursement claim.

For example, a principal may determine that the percentage of time spent on the reimbursable activities by various classifications of personnel in a base year of fiscal year 1998-99 was as follows: Principal 17%, Vice Principal 15%, Office Clerks 36%, Office Manager 9%, and Secretaries 23%.

The school district determines that the productive hourly rate [salaries + benefits + indirect costs(salary + benefit x indirect cost rate)] for each classification is as follows:

Classification	Salary	Benefits	Indirect Costs	Productive Hourly Rate
Principal	\$60	\$12	\$13	\$85
Vice Principal	55	10	15	80
Office Clerks	40	8	12	60
Office Manager	45	9	11	65
Secretaries	18	5	7	30

The school district's blended productive hourly rate of \$60.80 for fiscal year 2000-01 is determined by multiplying the percentages in the base year times the productive hourly rate in the fiscal year claimed, and adding the totals, as follows:

Classification	Percentage of Time Spent	Productive Hourly Rate	Blended Productive Hourly Rate
Principal	17%	\$85	\$14.45
Vice Principal	15%	80	12.00
Office Clerks	36%	60	21.60
Office Manager	9%	65	5.85
Secretaries	23%	30	6.90
Total	<u>100%</u>		<u>\$60.80</u>

- (f) Total. Multiply the Number of Agenda Items, column (c), by the Minutes Per Agenda Item as expressed as a fraction of one hour, column (d), by the Blended Hourly Rate, column (e).

For audit purposes, all supporting documents must be retained by the claimant for a period of not less than three years after the end of the calendar year in which the reimbursement claim was filed or last amended, whichever is later. When no funds are appropriated for the initial payment at the time the claim was filed, supporting documents must be retained for three years from the date of initial payment of the claim. Such documents shall be made available to the State Controller's Office upon request.

- (04) Total line (03), column (f) and enter the sum on this line. Check the appropriate box to indicate if the amount is a total or a subtotal. If more than one form is needed to detail the activity costs, number each page. Carry forward the totals from line (04), column (f) to Form 1, line (05).
